

SCHEDULE XX - UNITED STATES OF AMERICA

PART I (continued)

Tariff Act of 1930, paragraph	Description of Products	Rate of Duty
501	<p>Sugars, concrete and concentrated molasses, melada, concentrated melada, sirups of cane juice, and tank bottoms, testing by the polariscope not over 75 sugar degrees, and all mixtures containing sugar and water and testing by the polariscope over 50 but not over 75 sugar degrees ..... and for each additional sugar degree shown by the polariscopic test .....</p> <p>NOTE: The foregoing provisions of this item shall be effective only during such time as Title II of the Sugar Act of 1948 or substantially equivalent legislation is in effect in the United States, whether or not the quotas, or any of them, authorized by such legislation, are being applied or are suspended:</p> <p>Provided, That if the President of the United States finds that a particular rate not lower than the rate specified above, limited by a particular quota, may be established for any product provided for in this item, which will give due consideration to the interests in the United States sugar market of domestic producers and materially affected contracting parties, he shall proclaim such rate and such quota limitation, to be effective not later than the 90th day following the termination of the effectiveness of such legislation:</p> <p>Provided further, That any rate and quota limitation so established shall be modified if the President finds and proclaims that such modification is required or appropriate to give effect to the above considerations:</p> <p>And provided further, That the provisions of this item preceding this note shall resume full effectiveness, subject to the provisions of this note, if legislation substantially equivalent to Title II of the Sugar Act of 1948 should subsequently become effective.</p>	<p>0.428125¢ per lb. 0.009375¢ per lb. additional, and fractions of a degree in proportion</p>
